Great general purpose medical and/or training use gloves, these quality soft, supple beaded-cuff exam gloves for single use in non-sterile environments.

Sold in a dispenser-ready box containing 100 gloves by weight, these 100% latex and powder free exam gloves comply with US ASTM standards. The smooth finish gloves, made of polyvinyl chloride (PVC), are manufactured with sensitive individuals in mind as they contain no protein.

Each box sized Medium to X-Large contains 100 gloves.  
The case contains 1,000 gloves packaged as 10 boxes.

Customer satisfaction is our goal with every purchase.

If you are not satisfied with your purchase, let us know and we will work to make it right.

Within 10 business days of receipt if you are not happy with an item, contact us. We will gladly replace it, refund the purchase price, or credit you for other items, your choice.

If there is an error with your order because we mistakenly shipped the wrong product and/or wrong quantity, MCR Medical, Inc. will pay to reship the correct merchandise. Return shipping is generally at the customer's expense, but MCR Medical pays return postage costs when we make an order error. The shipping method used for return order correction is solely at our discretion. All other return shipment credit requests are considered on a case-by-case basis.

Before returning an item you must first contact us for **return shipment authorization**. Method of return shipment (example: Parcel Post, Priority Mail, UPS) must first be agreed upon by the customer and MCR Medical. A return authorization (RA) number is issued at the time of the call and must appear on the outside of the return parcel. We must receive the return within 30 days of RA issuance.
